

Growth Group Discussion Guide

"Growing Upward, Inward, Outward, and Forward"

For the Week of July 17, 2016

1 Corinthians 15

Please bring your Bible to GG as there is not enough space to put this passage on the sheet.

NOTE: Please ALWAYS take your Bible to Growth Group!!!

Sermon Outline

- Please take time in your group to look back over your sermon notes and "re-tell" the sermon points to one another.
- If you do not have sermon notes, please let me recommend that you start taking notes. We learn best through hearing, writing, and discussing. If you do all three of these each week, God's Word will be better implanted in your mind.
- Also, please take time each week to go through the questions *before* you get to Growth group so your group can have the best discussion possible.

WELCOME – Getting to Know Each Other Better

- We all look at death a little differently. Throughout your life, what have been your thoughts/fears/feelings about death?
- What is your understanding of what life is like after we die?

WORD - Applying Scripture to Our Lives

Heads up: Be sure to leave a good amount of time for questions 9-13. (Don't get too bogged town on questions 1-8)

1. What three things did Paul say were crucial to the Gospel in verses 3-4?
2. Why are each of these things important aspects?
3. Why would it matter if Jesus didn't resurrect?
4. Where does Paul say the logical line of thinking must lead if someone doesn't believe in the resurrection?
5. What blessings do we find in the fact that Jesus DID rise from the dead?
